Our famous ButterBurgers™
are made the old-fashioned way
from fresh, never-frozen, lean ground
chuck made to your order like they
used to be grilled at hamburger
stands in the 1950s.

Welcome.

Since our first restaurant opened on July 18, 1984, in Sauk City, Wisconsin, Culver's Frozen Custard has earned a growing word of mouth reputation for serving quality food made fresh. We use fresh, quality ingredients. We prepare your meal to order, without cooking ahead. We keep our restaurant clean, bright and relaxing. And we greet you with a smile and treat you like good neighbors. That's why people tell their friends about Culver's. Hope you enjoy. Come back soon.
